## What is Shop and Share & How does it work?

Dear **Cameray** Supporter:

We're thrilled to announce our **new, easy, year-round fundraiser** that will generate automatic donations for Cameray when you shop online, and (*here's the best part*) **it won't cost you a penny extra!**

That's right - **Each online purchase you make through [www.shopandshare.ca](http://www.shopandshare.ca), automatically generates a donation for Cameray Child and Family Services!** Now you can buy the things you would normally buy anyways, at the same prices, from all the same retailers you know and love, and you can view all of the donations you generate online.

**There are no membership fees or deadlines, and you don't have to donate out-of-pocket.** The only thing that you have to do is register a **FREE** account at [www.shopandshare.ca](http://www.shopandshare.ca).

We've partnered with hundreds of popular online stores so you can buy what you want, whenever you want, and feel good knowing that your day-to-day purchases are supporting Cameray Child and Family Services.
